Introductio

Because that which may be known of God is manifest in them; for God hath shewed it unto them.

For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse:

Romans 1:19-20

Man is made in the image and likeness of God.

Genesis 1:26

If you were to pick up an Anatomy and Physiology Book, or examine your own physical body, you will find that your body, which is three-fold (1 John 5:7) and everything in the universe conforms to the three-fold Tabernacle Pattern; which is God, who is the Archetype (Original) Pattern of the Universe.
CORRECT NAMES AND TITLE:

FATHER OR GOD - YAHWEH
WORD OR SON - ELOHIM
HOLY GHOST - YAHSHUA

The true Hebrew name of God is Yahweh.

TETRAGRAMMATON is the four consonants which make up His name. (Webster's Dict.)

This name is not used in the King James version of the Bible; but is used in the Holy Name Bible, revised by A.B. Traina, The Scripture Research Association, Inc. Irvington, New Jersey.

1 John 5:7-8

1 Thessalonians 5:23
The physical body shows the word of God hanging on the cross; having the keys to the kingdom and fulfilling the law and the prophets.

To the law and to the testimony; if they speak not according to this word, it is because there is no light in them.

Isaiah 8:20

The law and prophets are the keys to the kingdom.

The collar bone, or clavicle in Latin translated means "key".

The Messiah is the word and that being a sword.

Hebrews 4:12

The Sternum bone means sword; the very tip of this bone is called Xiphoid which is swordlike. The middle portion is called the body; and the top is the Manubrium or handle.

There were twelve (12) tribes of Israel - Law
There were twelve (12) apostles - prophets
There were - 24 Elders around the throne

There are twelve (12) ribs on each side of the body, making a total of twenty-four (24).

The Messiah lived for thirty-three (33) years
There are thirty-three (33) vertebrae in the body, (1) one for each year of His life.

How can you deny, that He was the Lamb of God slain for us, with so great a witness hanging on you?
And the key of the house of David will I lay upon his shoulder.

Isaiah 22:22
Moses was given a rod to deliver the children of Israel, which held great powers, and wonders; whereby Pharaoh and his host was overthrown, and the children of Israel delivered; this rod was a symbol of the arm of Yahweh (God).

Therefore say unto the children of Israel, I am Yahweh, and I will bring you out from under the burdens of the Egyptians, and I will release you out of their bondage, and I will redeem you with a stretched-out arm, and with great judgments:

Exodus 6:6

And Yahweh said unto him, what is that in thine hand? and he said, a rod.

Exodus 4:2

And thou shalt take this rod in thine hand, wherewith thou shalt do signs.

Exodus 4:17

The manifestation of the rod shown in the physical is in the bone of the arm called the Radius bone which is translated Radius "Rod".

There is a bone in the hand called the Hamate bone, Anatomists call this the "Hook of Hamate" or resembling a hook.

The Radius bone in the arm joined to the Hamate bone would form a rod. This rod can be used to do good or evil; but this is proof that we have a rod in the body.
As Moses was called up into the mount, into the midst of the cloud (Exodus 24 Chapt.) Yahweh showed him in a vision; how he transformed from pure spirit into the great anthropomorphic being, then into the intangible tabernacle. Then Yahweh told Moses to go down and build this tabernacle just like he was shown it in the mount, that He, Yahweh might come and dwell with them. Therefore, Yahshua being the Head of the body, and our body is the tabernacle (1 Cor. 3:16; 6:19), we find that the three (3) cavities of the head conforms to the pattern of the tabernacle.

Outer Court:

Gate - Lips, the entrance to the mouth.

Altar - Tongue, red appearance, fire; has four taste sensations; food sacrifices are placed on tongue, as sacrifices were placed on Altar.

Lava - Salivary Glands, sacrifices were washed, food in mouth becomes mixed with saliva.

Oil - Mucin, follicles on back of tongue lubricates (oils) food.

Teeth, normally there are thirty-two in the mouth.

Trumpe, - Buccinator Muscle, in the jaw or cheek, Buccinator in Latin translation means "Blow a Trumpet".
Pillar: In the back of the mouth is a curved muscle which divides into two pillars; called anterior and posterior pillar.

Curtain: The palate (roof of mouth) extends into the back of the mouth and hangs down like a curtain.

Candle-stick: Naso-pharynx, a cone shaped organ has seven (7) apertures or branches openings.

Table of Shewbread: Air you breathe is symbolic of spirit which sustains the physical body as the Priest ate shewbread; Messiah is the true bread of life.

Altar of Incense: Olfactory nerves pick up sensations of smell and carries them into the brain.

Vail: The Ethmoid bone, dividing the nasal cavity from cranial cavity; nerves penetrate this bone showing the angels on the vail, as the nerves are symbolic of angels.

Most Holy Place

Ark of the Covenant: The left and right hemisphere of the brain, symbolic of the wings of the cherubins, represent Michael and Gabriel; the warrior and messenger. As one side of brain sends messages, the other side sends action.

Shechinah: The Pineal Gland, function unknown by Anatomists, represents the vision in the shechinah.

Law in Ark: The Pituitary Gland corresponds with the law of Moses to govern Israel. This gland governs the body.

As the Garden of Eden was a type of heaven, or Most Holy Place; everything was in fruition, Adam and Eve were to dress and keep the garden.

Our brain, which is in our Most Holy Place, is symbolic of that garden and our job is to dress and keep our garden, by obtaining knowledge and understanding of Yahweh, then is our garden kept.

The brain resembles the cloud which settled over the Tabernacle in the wilderness; and Mt. Sinai in which God spoke to the children of Israel from. Therefore; the cloud represents pure spirit, the abode of God.

The following correlation will show how your brain is symbolic of the cloud or pure spirit.

**GOD HEAD**
- **YAH/WEH**
  - Created in 7 days
  - **KLOHIM** - Operates thru 7 ages & dispensations
- **YAH/SHUA**

---

**BRAIN**

- **CEREB/BRUM**
  - **MEDULLA OBLONGATA** - Operates 7 reflex centers.

**CEREB/BELLUM**

Yahshua the Messiah said that He came in His Father’s name; therefore YAH is the masculine part of His Father’s name which the son took on and is properly named YAHSHUA THE MESSIAH.

The brain therefore is testifying to this, the CEREB/BRUM is the seat of the mind or the organ of thought (spirit). The CEREB/BELLUM connects to the rest of the brain by three 3 bundles of nerve fibers, showing the son of God, (YAH/WEH) was the fulness of the God-Head bodily, named YAHSHUA.

In the introduction of the booklet, you will find the Verses from Romans 1:19 and 20 states that the invisible is understood by the visible.

Hereby, we are trying to show how that as Yahweh (God) moved from pure spirit (in Part) into the great Anthropomorphic being (Holy Ghost), then manifested in the flesh; called the Son of Yahweh or (God) I Timothy 3:16; this same operation is shown in our physical bodies.

We use the cloud to denote pure spirit, which is the abode of the Father. Then our brain, having a cloud-like appearance, would be where God the Father dwells with us.

1. There are two lateral ventricles in the brain which form the italic letter "F". This would represent the Father in the cloud or spirit.

2. Twelve pairs of cranial nerves emerge from the brain; this represents the twelve order of angels.

3. A cross section of the spinal cord, reveals the letter "H" and "H". for the Holy Ghost.

4. The spinal cord represents the Son; it comes down in 33 vertebrae, as the Son of God came into a prepared body for 33 years.

5. The side view of a vertebrae resembles a lamb, as the Son was the Lamb of God.

6. There are 31 pairs of nerves branching off the spinal cord end the very end of the cord itself becomes a nerve. $31 \times 2 = 62$ plus 1 = 63 Messiah came down through 63 generations.

7. A chemical substance at the nerve endings which is the impulse transmitter called
"P" in the Cloud of the brain

"H" "G" cross section of cord

Spinal Cord and 33 vertebrae

Filum Terminale
SYMPATHY, the Messiah was sympathetic towards us, in that He came into the flesh and was sacrificed for us.

8. The spinal cord with the nerves branching off, resembles a tree; the Messiah said I am the true vine. St John 15.

9. If one of the nerves is severed, it dies, and after a length of time, another one grows in its place; this shows how the unbelieving Jews being the natural branches, were broken off because of unbelief; and the Gentile was grafted in. Romans 11 chapter.

10. The spinal cord terminates or ends at the 12th rib, it becomes a nerve called the Filum Terminale, which is a strong, glistening threadlike nerve. This represents the Messiah being cut off from the 12 disciples, to be sacrificed, raised from the dead and to take on a new and glorified body.

For thou hast possessed my reins: Thou hast covered me in my mother's womb.

I will praise Thee; for I am fearfully and wonderfully made: marvellous are Thy works; and that my soul knoweth right well.

Psalms 139:13-14
Fasciculus Gracilis or "Bundle of Grace" which is a collection of nerve fibers within the Central Nervous System, having to do with equilibrium or sense of balance; these fibers extend from the sacral vertebra.

This is showing the Messiah came into the world and fulfilled the Mosaic Law under the Age called Post-Diluvian and brought in the Dispensation of Grace.

We have uprightness or (equilibrium) through Him. For by Grace are ye saved. Ephesians 2:5.

For while the law was given by Moses, grace and truth come by Yahshua the Messiah. St John 1:17.
ADAM

By Adam's transgression in the garden of Eden; bringing all mankind into sin or a state of condemnation, he covered himself with leaves, making an apron. By covering his generative organs, all mankind having on the Adamic body is wearing an apron.

This apron is called "Omentum" which in Latin means "to cover". The Omentum is described as a sweeping apron of tissue which covers the entire abdominal cavity.

JUDAS

Judas, the accuser of the brethren; ate and drank damnation unto himself; therefore, his bowels gushed out when he hung himself. This was proof that his inner man was no good.

We are now eating that spiritual bread which is His body, if we eat unworthy, our inner man will be exposed, when we take off the flesh.

MESSIAH

Adam tried to clothe himself in the garden; and Judas, his clothes was rent; the Messiah is the one who clothes us.

For He hath clothed me with the garments of salvation, and the robe of righteousness.
Isaiah 61:10.

Our body testifies to this, there is a muscle over the pelvis or hip bone called "Sartorius", which in Latin means "Tailor". This shows that we are clothed by Him.
